

LETTER OF AUTHORIZATION

Date: January 23rd, 2026 **Reference No.:** Jan 23, 2026

1. Grant of Authority

MEKICS Co., Ltd., a reputable manufacturer of mechanical ventilators and respiratory care devices, having its principal place of business at 21 Sangjiseok-gil, Paju-si, Gyeonggi-do, Republic of Korea (hereinafter referred to as the "Manufacturer"), hereby certifies and appoints:

ULTRA VISION MEDICAL LLC, located at Syria - rif dimashq - harasta (hereinafter referred to as the "Distributor"), as an **Authorized, Distributor** for the territories and products specified below.

2. Scope of Authorization

This authorization is granted specifically for the purpose of **Product Registration**, marketing, sales, and after-sales services.

- **Licensed Products:** MTV1000, MV2000, MV50, HFT700, HFT750
- **Authorized Territory:** Syria
- **Nature of Appointment:** The Manufacturer reserves the right to appoint other distributors or sell directly within the Territory.

3. Distributor's Obligations

The validity of this Authorization is contingent upon the Distributor's compliance with the following mandatory requirements:

- **Training & Demo Unit Procurement:** Within two (2) months of successful product registration in any of the authorized territories, the Distributor shall purchase at least one (1) set of demonstration units per registered model for clinical and technical training purposes.
- **Mandatory Technical Training:** The Distributor's designated service engineers must visit the Manufacturer's headquarters in the Republic of Korea to complete professional product training and certification. All costs associated with the visit shall be governed by the separate Distribution Agreement.
- **Service Reporting:** The Distributor is strictly required to submit a **Bi-weekly Service Log (Report)** to the Manufacturer every two weeks. This report must include maintenance records, repair history, and customer feedback within the Territory.

4. Support from Manufacturer

MEKICS Co., Ltd. shall provide the Distributor with necessary technical documentation, manuals, and spare parts information required for registration and after-sales service, provided the Distributor maintains its obligations.

5. Period of Validity

This authorization is valid from **April 21th, 2026 to December 31st, 2028**. The Manufacturer reserves the right to revoke this authorization immediately if the Distributor fails to meet the obligations stipulated in Section 3.
